ECO GLASS

BROCHURE

DESCRIPTION

ECO GLASS is a isopropanol-based liquid, formulated after careful research, for windshield cleaning.

APPLICATIONS

Clear ecological liquido, light blue color, 90% biodegradable.

ECO GLASS protects windscreen washer against frost until -60/-70°C.

Its cleaning power starts from dilution with 20 parts of water.

Degreases the glass surface with maximum efficiency, removing stains and insects.

Despite the presence of other additives and components that are not flammable, the product is a isopropanol-based liquid, so it's flammable. Therefore, it is advisable to keep it away from flames and / or sparks.

DILUTIONS

WINTRY DILUTION

Frost protection, at different concentrations in water, is shown in the following table:

	VOLUME PARTS			
ECO GLASS	2	1	1	1
WATER	1	1	2	4
PROTECTION TEMPERATURE °C	-34	-22	-18	-6

SUMMER DILUTION

Mix with 20 parts of water to obtain an effective degreasing action, removing stains and insects.

CUSTOM PACKAGES AVAILABLE

20 AND 25 LITERS CANISTER

200 LITERS DRUM

1000 LITERS CISTERN

TANK TRUCK
